Thank you for all your help and to all your staff who helped make our 50th wedding anniversary a success and a day to remember. Everyone commented what an excellent meal, please compliment the chef & kitchen staff because it's not easy to serve 100 meals and satisfy everyone, indeed we have been to many functions and consider this meal to be one of the best. Your staff were very helpful and unobtrusive in serving the meal and did it with a smile. A perfect day and exactly what we wanted.

A very big thank you to Steve and his fantastic staff for their wonderful service they gave at my granddaughters wedding on the 26th March. They certainly went the extra mile to ensure Lauren and Kelvins day was so very special. I would certainly recommend this venue for any occasion the food was first class. I cannot on behalf of the family praise you all enough.x.x.x
